

Common Sense Fence™ Warranty Information

GEOTEK warrants the owner of the Common Sense Fence™ electric wire fence products against defects in material and workmanship as follows:

- All SunGUARD® II coated fiberglass posts will not cause the voltage running through any electric fence wire to drop more than 5% for a period of twenty-five (25) years for the 1 1/16", 7/8", and 2" Mule™ posts and for a period of ten (10) years for the 3/8", 1/2" and 3/8" Step-in posts from the date of purchase.
- All SunGUARD® II coated fiberglass posts shall not flake, peel, rot, abnormally discolor, blister or corrode for a period of twenty-five (25) years for the 1 1/16", 7/8", and 2" Mule™ posts and for ten (10) years for the 3/8", 1/2", and 3/8" Step-in posts from date of purchase.
- All other components for a period of one (1) year from date of purchase or the manufacturer's published warranty if longer than one year.

GEOTEK makes no other warranties, expressed or implied, including fitness for a particular purpose.

This Warranty does not apply to product that has been:

- Altered or improperly installed.
- Damaged by impact of foreign objects.
- Subjected to misuse, abuse or accident.
- Damaged by an act of God (eg. flood, lightning, etc.)
- Damaged by unusual chemical contaminants.

Notice of any defect must be given within 90 days of discovery. GEOTEK shall have the option of replacing or repairing any defective product.

This Warranty does not apply to any costs associated with initial fence installation, removal of any defective fence or installation of the repaired or replacement product. The owner is responsible for all costs associated with shipping the defective product back to GEOTEK.

GEOTEK shall not, in any event, be held liable for incidental or consequential damages resulting from the use or handling of this product.
